1995: War of The Worlds

Current version: 1.09

In september 1995 started something that would forever change the wrestling industry, when WCW launched WCW Monday Nitro to directly compete against WWF's flagship show, Monday Night RAW. For many years had WWF dominated the wrestling scene completely, but was now seeing serious competition from WCW. These two giants would go head-to-head on mondays for the remainder of the decade, with smaller promotions being caught and squashed in the crossfire. The Monday Night Wars had begun...

BurningHamster:
This mod is based upon BurningHamster's 1996 The War Begins mod which I have heavily modified and expanded upon in order to create this mod. Huge thanks to BurningHamster for his contribution and encouragement!

XxFutureLegend112xX:
Some future workers, promotions and movesets are imported and modified from XxFutureLegend112xX's New Power is Rising mod.

Genadi:
Some workers, PPV carriers, moves, movesets, gimmicks and misc other data are from Genadi's The Golden Age 1987 mod.

justtxyank:
A great contribution with all sorts of valuable data and feedback. Thanks for the effort!

Matt Shannon:
A couple of indie workers from his Dallas add-on.

Fleisch:
Some future workers, moves and movesets are imported and modified from Fleisch's Real World Chronicles - December 2013 mod.

Many thanks to everyone else who helped shape this mod either directly or indirectly!

Feedback and constructive criticism is always welcome!
